JEANNETTE MEN STICK

Glass Men There Refuse to Join Local Strikers.

SITUATION UNCHANGED

Window glass workers at the American Window Glass factory at Jeannette refused to follow the lead of Belle Vernon and Monongahela strikers when importuned so to do Thursday. A committee from Monongahela and Belle Vernon, headed it is stated by J. C. Young, an organizer from Uniontown visited Jeannette in order to get a sympathy strike called. Their efforts were in vain. There are about 1,000 men employed at the Jeannette plant.

Today there is a committee at Arnold to see workmen at the large window glass plant of the company there.

At Belle Vernon and Monongahela the strike situation is unchanged. The men are still out. T. C. McKinley, superintendent of the Belle Vernon plant this morning said to the Mail that the company really had a grievance. He said the demand for increased wages came with a threat of a strike the day after the demand was presented if the increase was not granted. That this was too little time and that a week at least should have been given is his opinion. Mr. McKinley said that the chances are the men would have been granted increases in wages. Octave Jacqumain is the superintendent of the Monongahela plant. He has little to say on the situation.

WILL CELEBRATE AT MONONGAHELA

Arrangements are being made to hold a miners' celebration of the installation of the eight hour day at Monongahela April 1. The affair is in charge of the local central miners' union of Monongahela and a big demonstration is planned. The program will embrace speaking at the Anton Theatre a big parade in the morning and music all day.

Married in Pittsburgh.

Miss Mina Alberta Gallatin, daughter of Mrs. Sarah Gallatin of Donora and John L. Gibson, a well known young Monessen man were married in Pittsburgh Thursday by Rev. G. E. Brennaman, pastor of the Sheridan Avenue M. E. church. They left on a trip to Detroit, Cleveland and Lorain. Upon their return some time in April they will live on McKean avenue, Monessen.

The ladies of the First Baptist church will conduct a bazaar at the reading rooms at the corner of Fifth street and Washington avenue Friday and Saturday afternoons and evenings. There will be a rummage corner. Candy, home baking and fancy goods will be sold. 202-t2

Streets to Be Sewered

North Charleroi Council Takes up Ordinance—Elmer Houston Member.

The hill district of North Charleroi borough is to be sewered this spring or summer if an ordinance goes through that on Wednesday night passed the first reading of council. The approximate cost of the work would be \$8,700. Also Fourth street from the railroad to the river will be paved if another ordinance is passed. This ordinance was presented Wednesday.

Elmer Huston was elected to council to fill the vacancy caused by the resignation of David Schafer.

HIGH SCHOOL FIELD MEET IS ARRANGED

The annual Monongahela Valley high school field meet will be held on Saturday, May 17, at Charleroi. Athletic teams from four high schools, Charleroi, Monessen, Donora and Monongahela will participate. Arrangements for the event are being made. Prof. S. R. Grim, of Charleroi a Washington and Jefferson graduate will look after the field arrangements. Prof. M. Maxwell of Monongahela is to be the clerk of the course. Prof. R. G. Dean of Monongahela has already taken up with the Amateur Athletic Association the matter of sanction for the meet.

Each of the schools will select a judge with additional officials to be secured from the University of Pittsburgh and Washington and Jefferson college. If possible either Coach Joe Thompson of the University of Pittsburgh or Richard Guy of the Pittsburgh Gazette Times will be secured as referee.

Needs More School Room.

The Donora school board is contemplating the submission of a proposed bond issue for the purpose of building another school house. The amount has not yet been agreed upon, some of the board favoring a 26 room building and others a smaller structure.

No Fakes Permitted By Advertising Law

Gov. Tener Signs Measure Prohibiting Wrong or Untruthful Announcement of Sales—Has Wide Application.

The clothier who advertises a shoddy or half cotton suit of clothes as "strictly all wool," or the grocer who designates storage eggs fit only for throwing as "fresh country eggs," or the promoter who flashes stock for sale that will yield ten per cent dividends and doesn't, or the tradesman who advertises goods "below cost" on which there is still a profit, or one who states he is "closing out" and yet remains, will from this time hence be up "agin it." Governor Tener has signed the Bigger bill passed by the legislature prohibiting the making or dissemination of false or misleading statements or assertions concerning any merchandise, securities or service, and it is now a law.

This act makes it a misdemeanor for any person to publish in a newspaper, periodical, circular letter or

other publication any statement or assertion concerning the "quantity, the quality, the value, the merit, the use, the present or former price, the cost, the reason for the price or the motive or the purpose of a sale of any merchandise, securities or services or concerning the method or cost of production or manufacture of such merchandise, or the possession of rewards, prizes or distinctions conferred on account of such merchandise or the manner of source of purchase of such merchandise or securities which is untrue or calculated to mislead." The penalty is a fine of not more than \$1,000 or imprisonment of not more than 60 days or both.

This bill was presented at the instance of the Pittsburgh Publicity association. The act goes into effect at once.

WANT MOTOR CAR TO BE OPERATED ON P. AND L. E. CHARLEROI TO BE REPRESENTED BY STRONG TEAM

Four petitions are being circulated in an effort to have the Pittsburgh and Lake Erie railroad inaugurate gasoline motor service between Fayette City and Connellsville. This service which has been successfully tried on the Pittsburgh and Beaver line is being urged because of the rich farming district that would be opened up.

In Fayette City a petition is in the hands of E. D. Stinemman; in Penypolis, H. O. Markle is circulating the paper; J. S. Elliott is getting signers in the vicinity of Whitesett, and D. S. Trinkle has the Connellsville petition. All four are being largely signed.

If the railroad can be induced to place one of the cars in service between Fayette City and Connellsville those interested in the movement declare that eventually the run would be extended to Brownsville, making a short route from the Monongahela valley to Connellsville. The Fayette-Whitesett cutoff which it is desired to have the motor car service installed passes through Perry and Washington townships in Fayette county, better known as the "Red Lion" district.

The operation of the gasoline motor car service would not interfere with any regular passenger and freight traffic on the new road. The Fayette City branch has but recently been constructed.

Commissioners Hear Kicks.

The county commissioners of Westmoreland county were in Monessen yesterday hearing appeals from assessments. This year the three assessors of the town worked together with a view of equalizing assessments. The result was that many of the assessments were raised and this is the basis of a big lot of kicking.

Earl Bruce Dies.

Earl Bruce, aged 20 months, the son of Mr. and Mrs. Ethan Bruce of North Charleroi died Thursday night at 7:15 o'clock. The funeral will be held Saturday afternoon at 1 o'clock. Interment will be in the Calvary cemetery at Coal Centre.

There will be a dance given Tuesday evening, March 25 in the North Charleroi borough hall by Leroy Honaker and Clarence Bly. Gentlemen 50 cents, ladies 25 cents. 203-t1

Supper for School Team

Coach W. L. Lorimer Gives Honor Affair for High School Body.

Members of the Charleroi high school basketball team were entertained Thursday night at the Walfred Hotel at a supper given by W. L. Lorimer, a member of the faculty, and coach of the team. There were eleven present. They were: Prof. T. L. Pollock, superintendent of schools; Dr. F. C. Stahlman, Mr. Lorimer, Lloyd Wagner, Paul Nutt, Ray Speers, Austin Stahlman, James Wagner, Mac Jameson and Keith Campbell.

SOLEMNITY THE FEATURE TODAY IN THE SERVICES

Throughout Christendom today commemorative services of the tragedy on Calvary are being held. Catholic and many Protestant churches are observing the day with solemnity. Generally Good Friday is recognized as a holiday. The schools and banks are closed.

At St. Jerome's Catholic church today the mass of the presanctified was celebrated. According to custom prayers were publicly said for all persons, because it was on this day that Christ died in atonement for the sins of the world. The unveiling of the cross and adoration by the people was a solemn ceremony this morning. Tonight the sermon of the passion will be delivered.

CHARLEROI COUPLE MARRIED THURSDAY

Charles J. Feuster of Speers and Miss Elsie B. Reed, daughter of Mr. and Mrs. C. F. Reed of Maple Creek were quietly married Thursday afternoon. Rev. E. N. Duty pastor of the First Christian church performed the ceremony at his home at 408 Crest avenue. Mr. and Mrs. Feuster will live in Speers where he is employed.

FINISHING INTERIOR

Work Proceeding Rapidly on New Federal Building.

MARBLE WILL BE USED

Contractors at work on the new federal building are starting on the interior finish. So far ahead of time are they that it is probable the entire building will be ready for use two months before the specified time. The building is to be completed by September, but it is likely July will see it in readiness for occupancy.

The interior walls are to be covered with Keene's cement, a material used only in the best and costliest kind of buildings. The interior lobby is to be finished with buff Caen stone, imported from France. The lobby is to have marble floor and wainscoting with iron and marble stairs leading to the second story.

Three safes are being installed as the interior is being completed. The largest will be about 5 by 9 feet, length and width and 10 ft. high. This safe will be used for postoffice funds and the postal savings bank money. The postmaster will have one safe and there will be one for the collector of internal revenue, who it is stated will be stationed in Charleroi.

The office of the postmaster will be on the first floor on the Seventh street side of the building. The entire building will be one of beauty. The exterior has been about finished. This week work of putting on the roof has been going on.

SETTLEMENT IN MINE TROUBLE

A settlement has been effected between the Belle Vernon Coke company and the United Mine Workers of the district in regard to a mining scale and recognition of the union. At a conference in Pittsburgh in the Oliver building Thursday an agreement was signed accepting a scale and union conditions. The company agrees to also put in scales and weigh all coal run of mine. This is a feature for which the miners of the district have long contended, but it has not been accepted by all the companies with the exception of the Vesta Coal company, which pays for run of mine weight. The local at the Belle Vernon Coke company works was organized by William Feeney, who with President Van Bitner of the district and John O'Leary of the district executive board, effected the settlement yesterday with the officials of the mine and signed the agreement.

THE LOCAL PAPER.

The Mail felicitates itself that its news policy is along the same lines as what the Saturday Evening Post designates editorially in this week's issue as the true sphere of the newspaper. This is to print the news of the community in which the paper is published, rather than the news of the world at large. The Post, which is acknowledged to be the best edited periodical in existence, and which is read by a greater number of readers than any other publication in the world, having a circulation of over two million copies which insures at least ten million readers, is qualified to pass judgment on its contemporaries. The Post says that the newspaper that contains the least amount of telegraphic news is the best paper as it is the local news that interests its readers. It also states that the large city paper are farther away from the people than the smaller paper, because it is not in close touch with them and does not know what interests them. Consequently it devotes its efforts to the news of the world at large and therefore does not command the proportionate prestige of its smaller contemporary as an organ of publicity.

This has always been the policy of the Mail—to publish the local news and transactions which interest the people of this community. It makes no attempt to publish telegraphic reports of events of the world at large unless they have some direct bearing locally. The Mail is gaining in circulation and prestige as an organ of publicity and there never was a time in the history of Charleroi when so many of the local papers were so eagerly read by the people as at the present time. The Mail is not anywhere near the standard its owners would like to have it, but the publication of a daily paper in a community like Charleroi is a whole lot more of a serious undertaking than its many critics are aware who imagine they could do a whole lot better and not half try. However this is a part of the newspaper game and the Mail is grateful to its many friends for their support accorded and it is also gratifying to know that the policy it early mapped out and consistently followed is approved by so eminent a publication as the Saturday Evening Post.

PICKED UP IN PASSING

I think the "Justice" must be done though the heavens fall," but this incident, an account of which appears in the Pittsburgh Dispatch this morning, serves to convey a doubt as to whether or not a literal construction of the law at all time works to the ends of justice.

"May I—may I say something?" asked a frail little woman holding a child to her bosom, of Judge Swearingin in Criminal Court yesterday. John Wiseman had just been found guilty of twice entering a building of Charles Reibel, South Twentyseventh and Jane streets and taking a few eggs and some cheese.

Judge Swearingin's voice delivered name of God I pray you to be merciful with my husband. For a long time he wasn't well enough to work. Seven weeks ago this baby was born. We had no money to pay anyone to care for me. He couldn't go away. Just last Monday the diphtheria sign was taken off the door—the baby like to have died. I haven't a bite in the house to eat; I haven't any money. We can't stay in the house only until the first of the month—we've been ordered out. The rent isn't paid.

Judge Swearingin's voice delivered sentence broke the silence:

"The sentence of the court is that the defendant pay a fine of six and a fourth cents, the cost of the prosecution, make restitution and undergo imprisonment of six months in the Allegheny workhouse."

All Drug Stores Are Giving Away a Limited Supply of the New External Vapor Treatment.

Applied Over Throat and Chest, It Relieves Colds Over Night—Croup in Fifteen Minutes.

Local druggists report a remarkable demand for the new vapor treatment for croup and cold troubles, Vick's Croup and Pneumonia Salve, recently introduced here from North Carolina. This treatment is in the form of a salve that is applied externally over the chest and throat. The heat of the body releases the soothing antiseptic vapors of Eucalyptal Thymol, Menthol, Camphor, Pinus Sylvestris, etc., which are inhaled with every breath through the air passages direct to the lungs. At the same time Vick's is absorbed through the skin taking out the soreness.

In croup cases the breathing is made easier in five minutes and in fifteen minutes the worst cases are

relieved. In cases of severe colds, hot wet towels are first applied to the chest and throat to open the pores of the skin. Follow this with a good application of Vick's and cover with a warm flannel cloth. The vapor inhaled all night long loosens the phlegm and open the air passages. The next morning the head is clear and the soreness gone from the lungs. More druggists have made arrangements with the manufacturer by which they are allowed to give away a limited number of 25-cent packages free to their customers.

If your druggist has given away all his free packages, you can purchase a 25c, 50c or \$1.00 jar on 30 days' trial. With each purchase you are given a refund blank, good for your money back if you do not find Vick's the best thing you have ever tried.

Remember the supply with each druggist for free distribution is limited so present your coupon early. These coupons are good only at your own dealer's.

Evangelist Scores School Board.

Dr. M. H. Lyon, the evangelist who is conducting a series of meetings at Canonsburg in the big tabernacle erected for the purpose in a sermon Tuesday night scored the school board for refusing to dismiss the upper grades of school an hour earlier than the usual time, recently, so that the pupils might attend a young people's meeting in the tabernacle; and also because no prayer had been made at the commencement exercises of the Canonsburg high school class of 1912.

Town Gets a Doctor.

Independence, which has been without a doctor lately for the first time in 100 years, is soon to be supplied. Dr. Robinson of Altoona has looked over the field and expects to move there at once and take charge of the practice.

At this particular time most men are more concerned about the millinery bill than the woman suffrage bill.

For Examination of Eyes. The Monongahela school board has made arrangements for the examination of eyes of every pupil in the school.

JEANNETTE MEN STICK

Glass Men There Refuse to Join Local Strikers.

SITUATION UNCHANGED

Window glass workers at the American Window Glass factory at Jeannette refused to follow the lead of Belle Vernon and Monongahela strikers when importuned so to do Thursday. A committee from Monongahela and Belle Vernon, headed by J. C. Young, an organizer from Uniontown visited Jeannette in order to get a sympathy strike called. Their efforts were in vain. There are about 1,000 men employed at the Jeannette plant.

Today there is a committee at Arnold to see workmen at the large window glass plant of the company there.

At Belle Vernon and Monongahela the strike situation is unchanged. The men are still out. T. C. McKinley, superintendent of the Belle Vernon plant this morning said to the Mail that the company really had a grievance. He said the demand for increased wages came with a threat of a strike the day after the demand was presented if the increase was not granted. That this was too little time and that a week at least should have been given is his opinion. Mr. McKinley said that the chances are the men would have been granted increases in wages. Octave Jacqumain is the superintendent of the Monongahela plant. He has little to say on the situation.

WILL CELEBRATE AT MONONGAHELA

Arrangements are being made to hold a miners' celebration of the installation of the eight hour day at Monongahela April 1. The affair is in charge of the local central miners' union of Monongahela and a big demonstration is planned. The program will embrace speaking at the Anton Theatre a big parade in the morning and music all day.

Married in Pittsburgh.
Miss Mina Alberta Gallatin, daughter of Mrs. Sarah Gallatin of Donora and John L. Gibson a well known young Monessen man were married in Pittsburgh Thursday by Rev. G. E. Brenneman, pastor of the Sheridan Avenue M. E. church. They left on a trip to Detroit, Cleveland and Lorain. Upon their return some time in April they will live on McKean avenue, Monessen.

The ladies of the First Baptist church will conduct a bazaar at the reading rooms at the corner of Fifth street and Washington avenue Friday and Saturday afternoons and evenings. There will be a rummage corner. Candy, home baking and fancy goods will be sold. 202-42

Streets to Be Sewered

North Charleroi Council Takes up Ordinance—Elmer Houston Member.

The hill district of North Charleroi borough is to be sewered this spring or summer if an ordinance goes through that on Wednesday night passed the first reading of council. The approximate cost of the work would be \$8,700. Also Fourth street from the railroad to the river will be paved if another ordinance is passed. This ordinance was presented Wednesday.

Elmer Huston was elected to council to fill the vacancy caused by the resignation of David Schafer.

HIGH SCHOOL FIELD MEET IS ARRANGED

The annual Monongahela Valley high school field meet will be held on Saturday, May 17, at Charleroi. Athletic teams from four high schools, Charleroi, Monessen, Donora and Monongahela will participate. Arrangements for the event are being made. Prof. S. R. Grim, of Charleroi a Washington and Jefferson graduate will look after the field arrangements. Prof. M. Maxwell of Monongahela is to be the clerk of the course. Prof. R. G. Dean of Monongahela has already taken up with the Amateur Athletic Association the matter of sanction for the meet.

Each of the schools will select a judge with additional officials to be secured from the University of Pittsburgh and Washington and Jefferson college. If possible either Coach Joe Thompson of the University of Pittsburgh or Richard Guy of the Pittsburgh Gazette Times will be secured as referee.

Needs More School Room.
The Donora school board is contemplating the submission of a proposed bond issue for the purpose of building another school house. The amount has not yet been agreed upon, some of the board favoring a 26 room building and others a smaller structure.

No Fakes Permitted By Advertising Law

Gov. Tener Signs Measure Prohibiting Wrong or Untruthful Announcement of Sales—Has Wide Application.

The clothier who advertises a shoddy or half cotton suit of clothes as "strictly all wool," or the grocer who designates storage eggs fit only for throwing as "fresh country eggs," or the promoter who flashes stock for sale that will yield ten per cent dividends and doesn't, or the tradesman who advertises goods "below cost" on which there is still a profit, or one who states he is "closing out" and yet remains, will from this time hence be up "again it." Governor Tener has signed the Bigger bill passed by the legislature prohibiting the making or dissemination of false or misleading statements or assertions concerning any merchandise, securities or service, and it is now a law.

This act makes it a misdemeanor for any person to publish in a newspaper, periodical, circular letter or

other publication any statement or assertion concerning the quantity, the quality, the value, the merit, the use, the present or former price, the cost, the reason for the price or the motive or the purpose of a sale of any merchandise, securities or services, or concerning the method or cost of production or manufacture of such merchandise, or the possession of rewards, prizes or distinctions conferred on account of such merchandise or the manner or source of purchase of such merchandise or securities which is untrue or calculated to mislead. The penalty is a fine of not more than \$1,000 or imprisonment of not more than 60 days or both.

This bill was presented at the instance of the Pittsburgh Publicity association. The act goes into effect at once.

WANT MOTOR CAR CHARLEROI TO BE OPERATED ON P. AND L. E. BE REPRESENTED BY STRONG TEAM

Four petitions are being circulated in an effort to have the Pittsburgh and Lake Erie railroad inaugurate gasoline motor service between Fayette City and Connellsville. This service which has been successfully tried on the Pittsburgh and Beaver line is being urged because of the rich farming district that would be opened up.

In Fayette City a petition is in the hands of E. D. Stineman; in Pottsville, H. O. Markle is circulating the paper; J. S. Elliott is getting signers in the vicinity of Whitesett, and D. S. Trinkle has the Connellsville petition. All four are being largely signed.

If the railroad can be induced to place one of the cars in service between Fayette City and Connellsville those interested in the movement declare that eventually the run would be extended to Brownsville, making a short route from the Monongahela valley to Connellsville. The Fayette-Whitesett cutoff which it is desired to have the motor car service installed passes through Perry and Washington townships in Fayette county, better known as the "Red Lion" district.

The operation of the gasoline motor car service would not interfere with any regular passenger and freight traffic on the new road. The Fayette City branch has but recently been constructed.

Commissioners Hear Kicks.
The county commissioners of Westmoreland county were in Monessen yesterday hearing appeals from assessments. This year the three assessors of the town worked together with a view of equalizing assessments. The result was that many of the assessments were raised and this is the basis of a big lot of kicking.

Arrested for Assault.
Dennis Johnson, colored, was arrested in Charleroi Thursday by the police here on a warrant issued from Connellsville. The charge against him is aggravated assault and battery the informant being a colored man who accuses Johnson of attacking him at a pool room.

WANTED—Several young salesladies for local work. Experience not necessary. Good pay and steady position. Inquire 220 Fallowfield 7 to 9 p. m. or 7:30 to 9:30 a. m. Ask for Mr. Macdonald. 203-41p

Supper for School Team

Coach W. L. Lorimer Gives Honor Affair for High School Body.

Members of the Charleroi high school basketball team were entertained Thursday night at the Walfred Hotel at a supper given by W. L. Lorimer, a member of the faculty, and coach of the team. There were eleven present. They were: Prof. T. L. Pollock, superintendent of schools; Dr. F. C. Stahlman, Mr. Lorimer, Lloyd Wagner, Paul Nutt, Ray Speers, Austin Stahlman, James Wagner, Mac Jameson and Keith Campbell.

SOLEMNITY THE FEATURE TODAY IN THE SERVICES

Throughout Christendom today commemorativeservices of the tragedy on Calvary are being held. Catholic and many Protestant churches are observing the day with solemnity. Generally Good Friday is recognized as a holiday. The schools and banks are closed.

At St. Jerome's Catholic church today the mass of the presanctified was celebrated. According to custom prayers were publicly said for all persons, because it was on this day that Christ died in atonement for the sins of the world. The unveiling of the cross and adoration by the people was a solemn ceremony this morning. Tonight the sermon of the passion will be delivered.

CHARLEROI COUPLE MARRIED THURSDAY

Charles J. Feuster of Speers and Miss Elsie B. Reed, daughter of Mr. and Mrs. C. F. Reed of Maple Creek were quietly married Thursday afternoon. Rev. E. N. Duty pastor of the First Christian church performed the ceremony at his home at 403 Crest avenue. Mr. and Mrs. Feuster will live in Speers where he is employed.

FINISHING INTERIOR

Work Proceeding Rapidly on New Federal Building.

MARBLE WILL BE USED

Contractors at work on the new federal building are starting on the interior finish. So far ahead of time are they that it is probable the entire building will be ready for use two months before the specified time. The building is to be completed by September, but it is likely July will see it in readiness for occupancy.

The interior walls are to be covered with Keene's cement, a material used only in the best and costliest kind of buildings. The interior lobby is to be finished with buff Caen stone, imported from France. The lobby is to have marble floor and wainscoting with iron and marble stairs leading to the second story.

Three safes are being installed as the interior is being completed. The largest will be about 5 by 9 feet, length and width and 10 ft. high. This safe will be used for postoffice funds and the postal savings bank money. The postmaster will have one safe and there will be one for the collector of internal revenue, who it is stated will be stationed in Charleroi.

The office of the postmaster will be on the first floor on the Seventh street side of the building. The entire building will be one of beauty. The exterior has been about finished. This week work of putting on the roof has been going on.

SETTLEMENT IN MINE TROUBLE

A settlement has been effected between the Belle Vernon Coke company and the United Mine Workers of the district in regard to a mining scale and recognition of the union. At a conference in Pittsburgh in the Oliver building Thursday an agreement was signed accepting a scale and union conditions. The company agrees to also put in scales and weigh all coal run of mine. This is a feature for which the miners of the district have long contended, but it has not been accepted by all the companies with the exception of the Vesta Coal company, which pays for run of mine weight. The local at the Belle Vernon Coke company works was organized by William Feeney, who with President Van Biner of the district and John O'Leary of the district executive board, effected the settlement yesterday with the officials of the mine and signed the agreement.

THE LOCAL PAPER.

The Mail felicitates itself that its news policy is along the same lines as what the Saturday Evening Post designates editorially in this week's issue as the true sphere of the newspaper. This is to print the news of the community in which the paper is published, rather than the news of the world at large. The Post, which is acknowledged to be the best edited periodical in existence, and which is read by a greater number of readers than any other publication in the world, having a circulation of over two million copies which insures at least ten million readers, is qualified to pass judgment on its contemporaries. The Post says that the newspaper that contains the least amount of telegraphic news is the best paper as it is the local news that interests its readers. It also states that the large city paper are farther away from the people than the smaller paper, because it is not in close touch with them and does not know what interests them. Consequently it devotes its efforts to the news of the world at large and therefore does not command the proportionate prestige of its smaller contemporary as an organ of publicity.

This has always been the policy of the Mail—to publish the local news and transactions which interest the people of this community. It makes no attempt to publish telegraphic reports of events of the world at large unless they have some direct bearing locally. The Mail is gaining in circulation and prestige as an organ of publicity and there never was a time in the history of Charleroi when so many of the local papers were so eagerly read by the people as at the present time. The Mail is not anywhere near the standard its owners would like to have it, but the publication of a daily paper in a community like Charleroi is a whole lot more of a serious undertaking than its many critics are aware of. Imagine they could do a whole lot better and not half try. However this is a part of the newspaper game and the Mail is grateful to its many friends for their support accorded and it is also gratifying to know that the policy it early mapped out and consistently followed is approved by so eminent a publication as the Saturday Evening Post.

PICKED UP IN PASSING

It is said that "justice must be done though the heavens fall," but this incident, an account of which appears in the Pittsburgh Courier this morning, serves to convey a doubt as to whether or not a literal construction of the law at all time works to the ends of justice.

"May I—may I say something?" asked a frail little woman holding a child to her bosom, of Judge Swearingen in Criminal Court yesterday. John Wiseman had just been found guilty of twice entering a building of Charles Reifel, South Twentyseventh and Jane streets and taking a few eggs and some cheese.

Judge Swearingen's voice delivered name of God I pray you to be merciful with my husband. For a long time he wasn't well enough to work. Seven weeks ago this baby was born. We had no money to pay anyone to care for me. He couldn't go away. Just last Monday the diphtheria sign was taken off the door—the baby like to have died. I haven't a bite in the house to eat; I haven't any money. We can't stay in the house only until the first of the month—we've been ordered out. The rent isn't paid."

Judge Swearingen's voice delivered sentence broke the silence.

"The sentence of the court is that the defendant pay a fine of six and a fourth cents, the cost of the prosecution, make restitution and undergo imprisonment of six months in the Allegheny workhouse."

All Drug Stores Are Giving Away a Limited Supply of the New External Vapor Treatment.

Applied Over Throat and Chest. It Relieves Colds Over Night--Croup in Fifteen Minutes.

Local druggists report a remarkable demand for the new vapor treatment for croup and cold troubles. Vick's Croup and Pneumonia Salve, recently introduced here from North Carolina. This treatment is in the form of a salve that is applied externally over the chest and throat. The heat of the body releases the soothing antiseptic

thol, Camphor, Pinus Sylvestris, etc., which are inhaled with every breath through the air passages direct to the lungs. At the same time Vick's is absorbed through the skin taking out the soreness. In group cases the breathing is made easier in five minutes and in severe cases the worst cases are

relieved. In cases of severe colds, hot wet towels are first applied to the chest and throat to open the pores of the skin. Follow this with a good application of Vick's and cover with a warm flannel cloth. The vapors inhaled all night long loosen the phlegm and open the air passages. The next morning the head is clear and the soreness gone from the lungs. More druggists have made arrangements with the manufacturer by which they are allowed to give away a limited number of 25-cent packages free to their customers.

If your druggist has given away all his free packages, you can purchase a 25c, 50c or \$1.00 jar on 30 days' trial. With each purchase you are given a refund blank, good for your money back if you do not find Vick's the best thing you have ever tried.

Remember the supply with each druggist for free distribution is limited so present your coupon early. These coupons are good only at your

Evangelist Seares School Board. Dr. M. H. Lyon, the evangelist who is conducting a series of meetings at Canonsburg in the big tabernacle erected for the purpose in a sermon Tuesday night scored the school board for refusing to dismiss the upper grades of school an hour earlier than the usual time, recently, so that the pupils might attend a young people's meeting in the tabernacle; and also because no prayer had been made at the commencement exercises of the Canonsburg high school class of 1912.

Town Gets a Doctor. Independence, which has been without a doctor lately for the first time in 100 years, is soon to be supplied. Dr. Robinson of Altoona has looked over the field and expects to move there at once and take charge of the practice.

At this particular time most men are more concerned about the minority bill than the woman suffrage bill.

For Examination of Eyes. The Monongahela school board has made arrangements for the examination of eyes of every pupil in the school.
